

Safety Town Camp

“SAFETY TOWN” is an early childhood education program designed to introduce children to all types of safety behavior through their own involvement. They do this by role-playing in simulated and actual life situations under the guidance of teachers, a police officer and student volunteers. Safety songs, poems, art projects, stories, movies and visits with Police and Fire Departments and First Aid Squads make this program a fun learning experience that children eagerly look forward to attending.

SPACE IS LIMITED TO 50 STUDENTS!
