RIVER VALE AMBULANCE CORPS

There's an illustration making the rounds of social networks, of the caduceus and EMS blue cross accompanied by a pithy Q&A: "Some people spend their whole life wondering, 'Did I make a difference?'" Some people don't need to wonder."

The members of the River Vale Volunteer Ambulance Corps don't wonder. We know we make a difference and we'd like you to, as well. The Corps needs members, both day and night.

We will provide training, uniforms and camaraderie. But most important, we offer an opportunity for you to make a difference, to assist your neighbors in time of need and, though it sounds corny, make the world just a little bit better.

For info, call the Corps at 201-664-7065. You will be glad you did.

Coordinated by the River Vale Green Team and the Pascack Valley DPW, the four-hour event included groups of Girl Scouts, Boy Scouts, local elementary, PV and NVOT students, families and individuals who removed over 1,800 pounds of trash from the watershed areas of Ranges Field, the River Vale Community Center property at 628 Rivervale Road, along the edge of Lake Tappan on Handweg Drive and Stanley Place. Thanks again to all who help protect our watershed.

The drop box at police headquarters is one way to dispose of unwanted or unused medications. There is also a box that can be requested for special events and group meetings.

The River Vale Police Department in cooperation with the NJ Division of Consumer Affairs and the DEA is a designated permanent drop off site for "Project Medicine Drop" which allows individuals to dispose of unused and expired medications 24/7.

With the abuse of prescription medications at epidemic proportions, the program helps to prevent the diversion of opioids and other types of prescription medication. Bergen County alone has one of the highest rates of abuse in the state. The Department also offers a portable drop box available to any group or organization wishing to utilize it at a special event or group meetings. Anyone seeking more information can contact the River Vale Police Department at 201-664-1111, ext. 1140.

Contact the library to learn more about a free service available through the NJ State Library Talking Book and Braille Center. The Center provides personal assistance to access a vast collection of more than 60,000 books and 42 periodicals available in Braille, cassette and digital formats. The library has "talking book machines" that you can try out in the library setting to see if they are appropriate for your special needs.

RIVER VALE POLICE DEPARTMENT

RVPD DEBUTS NEW ADDITION TO ITS FLEET

PHOTO/RIVER VALE PD

On May 28, the River Vale Police Department (RVPD) debuted "RVPD H1" – a 2004 Humvee (High Mobility Multipurpose Wheeled Vehicle) – at the Township's annual Memorial Day parade. Invited along for the inaugural ride were members of the River Vale Junior Police Academy, Boy Scouts, and Girl Scouts.

RVPD acquired the vehicle at no cost to the Township through the LESO (Law Enforcement Support Office) 1033 Program. This initiative allows previously used military equipment to be repurposed for law enforcement use by police agencies. The Humvee was stripped and painted at a generously discounted price by Rich's Automotive of Emerson.

RVPD H1 will be used for emergencies, including transportation of equipment and high water rescue, as well as community policing initiatives. Several times in the recent past, River Vale has experienced significant flooding in different parts of the Township that required the evacuation of residents. During those times, RVPD was limited in its availability to respond to flood prone areas in order to assist residents. With the addition of H1 to the fleet, River Vale Police will be better able to respond during these and other extreme weather events in order to render aid to those in need.
