November 11, 2020

Important COVID-19 Coronavirus Update **from the Township of River Vale**

As the number of cases in New Jersey are again rising, **beginning Thursday, November 12, River Vale Town Hall will be closed to the general public.** *Essential visits will be available by appointment only* in the interest of public safety. Please call Town Hall at 201-664-2346 or [email the appropriate contact](#).

Governor Murphy also announced actions to further stop the spread of COVID-19 effective Thursday, November 12th:

- No indoor dining between 10:00 PM – 5:00 AM at restaurants, bars, clubs, and lounges.
- Outdoor dining, takeout, and delivery services may continue past 10:00 PM.
- Casinos must stop serving food/drinks at 10:00 PM.
- All bar side seating will be prohibited.
- Restaurants may place tables closer than 6 feet ONLY if separated by barriers.
- Individual fully-enclosed dining bubbles may be set-up for outside use.

Furthermore, Governor Murphy announced that starting this Thursday, all interstate games and tournaments for indoor youth sports – up to and including high school – are prohibited. It is simply not safe for teams to be crossing state lines at this time to participate in indoor competitions, per Governor Murphy.

As reported last week, all Township-sponsored events, programs and classes are cancelled until further notice. This includes town-sponsored indoor sports programs and clinics. The River Vale Senior/Community Center is closed indefinitely, with the exception of Town Council and Joint Planning Board meetings.

Additional information about COVID-19, which includes national data from the CDC as well as local updates, can be found on the [River Vale COVID-19 webpage](#). Thank you for your cooperation during this challenging time. We will continue to update as additional information becomes available.
