November 16, 2020

Dear River Vale Residents:

I am concerned.

Over the past month, there have been 42 new COVID-19 cases in the Township of River Vale. This brings our current cumulative case total to 165, all of which are being monitored by our Health Department at their various stages.

Throughout the State, contact tracing research has shown that many cases are a result of household gatherings. We must remain diligent, which includes, at times, making tough yet sensible choices.

Especially considering the holidays coming up, household gatherings will likely continue to contribute to the increase of viral spread. Governor Murphy has just announced that indoor gatherings are limited to a maximum of ten people, effective tomorrow. As much as we all are weary and long for normalcy, we must be prudent in decisions regarding gatherings of all kinds.

Please keep those who are sick, whether mildly or severely, as well as their families, in your thoughts and prayers.

There will be an end to this pandemic. However, unfortunately it is not yet here.

Be Well,
Mayor Glen Jasionowski
