*November 25, 2020*

Dear River Vale Residents:

I wish I had better news to report as we start off the holiday weekend. We have continued to see an uptick in COVID-19 cases here in River Vale. As of this morning, there have been 74 new cases reported in Town since November 1. Of those new cases, 56 have been diagnosed in the past two weeks. None of the River Vale cases reported in November are from long-term care facilities. Please continue to keep the sick, as well as their families, in your thoughts and prayers.

These statistics are sobering. It is imperative to remain vigilant with our social distancing measures. It seems a vaccine is not far away in our future, but it is not here yet. Tomorrow is Thanksgiving Day. Hopefully you've planned a quiet, intimate gathering with only those few people closest to you. It really is in the best interest of your family, friends and the community.

It may be worth the time to consider what Thanksgiving is truly about. When you trade expectations for appreciation, your whole world can change. I wish you all a safe, healthy and Happy Thanksgiving Day!

Be Well,  
Mayor Glen Jasionowski
